## 1 A SHORT SUBJECTIVE RETROSPECTIVE

Another highly prolific year for Bob Dylan! After the recording of his best record for several years in April, a new enormous tour was kicked off in Sweden at the end of May. The name "The Never-Ending tour" was suggested by Dylan himself in an interview with Adrian Deevoy in the December issue of Q magazine. An amazing 99 shows were played in Europe, Canada and US. The new record, **Oh Mercy**, received high praise everywhere, most reviewers giving the producer, Daniel Lanois, lots of credits.

## 2 THE YEAR AT A GLANCE

### 3 CALENDAR

- February 12* Bob Dylan joins the Grateful Dead on stage at their show at the LA Forum. He plays guitar on 8 songs and is finally persuaded (?) to sing on 'Knockin' On Heaven's Door'.
- March-April* OH MERCY recording sessions in New Orleans.
- May 27* The European tour starts with a show in the park of the Christinehof castle in the south of Sweden.
- July 1* After 21 shows in Europe, the tour continues in US in Peoria only two days after the last show in Athens, Greece.
- September 9-10* The summer tour concludes with two shows at the Greek Theater in Los Angeles. Nothing from the new album has been aired during this part of the tour.
- September 19* OH MERCY is released.
- September 21* The Edna Gundersen interview is published in USA Today.
- September 24* Dylan participates in the "L'Chaim To Life, Telethon '89" on Chabad TV. Together with his son-in-law Peter Himmelman and Harry Dean Stanton on guitars he plays flute and recorder (!) on three songs. The "group" is called 'Chopped Liver'.
- October 10* The fall tour starts with four shows at the Beacon Theater in New York. A number of the Oh Mercy songs are played at last. Before the tour is over they have played 6 songs from the new album, leaving the two first and the two last for the future.
- November 20* Dylan records 'People Get Ready' in Bloomington, Indiana for the movie FLASHBACK. The soundtrack is released in 1990.
- December* Q magazine publishes a long article by Adrian Deevoy called 'The Wanted Man', also containing an interview.

## 6 THE NEVER-ENDING TOUR: SECOND YEAR

### 6.1 *Introduction*

The never-ending tour 1989 consists of three parts:

1. The first leg in Europe, May-June
2. The second leg in the US, July-September
3. The third leg on the US East, Coast October-November

These parts will be referred to as leg 1 2 and 3 below.

The 1989 tour saw two major changes, Dylan started to play harmonica again, both in the acoustic and the electric set, and Kenny Aaronson had to leave suddenly after just a few shows in Europe to have an operation in the US. He was replaced, permanently it seems, by Tony Garnier.

## **6.2 The Musicians**

G. E. Smith on acoustic and electric guitar, backup vocal,  
Kenny Aaronson on bass guitar,  
Tony Garnier replaces Aaronson after the shown in London.  
Christopher Parker on drums.

## **6.3 The show**

The same format as 1988:

1st electric set	5-7 songs
The acoustic set	3-5 songs
2nd electric set	5-7 songs
Encores	1-2 acoustic songs (not on the fall tour) 1-2 electric songs

#### Songs

<sup>1</sup> a show is unique if no other show has the same songs in the same order.

<sup>2</sup> a show is different from another show if the set of songs are different, regardless of order.

<sup>3</sup> electric and acoustic versions are counted as different songs.

<sup>4</sup> a song is counted as unique regardless of how it is performed.

<sup>5</sup> variation is computed as the quote between number of different songs and mean number of performed songs.

The second song turned out to be "the surprise slot". A number of covers were played here, but also during the second electric set. The following covers were played once or twice:

*Confidential, House Of Gold, Lonesome Town, Making Me Believe, My True Lala, Pancho And Lefty, Peace In The Valley, The Water Is Wide, When Did You Leave Heaven?, You Don't Know Me, Give My Love To Rose* in a the special acoustic->electric treatment and finally an exciting full band version of *Trail Of The Buffalo*.

*Every Grain Of Sand* was tried twice once electric, once acoustic.

As usual Dylan played *Man Gave Names To All The Animals* in France.

Only electric version of *Tangled Up In Blue* during this tour.

And in Patras, Greece, Dylan decided it was time to play *Tears Of Rage*!

#### Guest appearances

Cesar Diaz, Dylan's guitar technician plays acoustic guitar on the last encore in Allentown, 12 July. It was his birthday and his girlfriend's name is Maggie. Or something like that.

Kenny Aaronson returns and plays bass in the 2<sup>nd</sup> electric set and the encores at the Jones Beach Theater in Long Island, 23 July.

At the show in Springfield, Ill. Steve Earle plays guitar on *I Shall Be Released*. Steve Earle was the support act during this part of the tour. Note that due to heavy showers there is only one encore, *Mr Tambourine Man*.

<sup>6</sup> a show is unique if no other show has the same songs in the same order. Cuyahoga Falls, July 9 and Harrisburg, July 11 are identical!

<sup>7</sup> a show is different from another show if the set of songs are different, regardless of order.

<sup>8</sup> electric and acoustic versions are counted as different songs.

<sup>9</sup> a song is counted as unique regardless of how it is performed.

<sup>10</sup> variation is computed as the quote between number of different songs and mean number of performed songs.

Bucky Baxter, who plays steel guitar with Steve Earle, sits in on the following occasions:

### Songs

A number of shows started with instrumentals, called *E-Thang* on the set lists written by G.E. Smith (?). Only one of these instrumentals have so far been identified, *Lonely Is A Man Without Love*, once a hit with Englebert Humperdinck. The first of these shows was New Orleans, 25 August, the last Santa Barbara, 5 September.

This part of the tour saw the debut of yet another batch of covers: *And It Stoned Me*, *Don't Pity Me*, *Early Morning Rain*, *The Harder They Come*, *I'm In The Mood For Love*, *In The Pines*, *Legend In My Time*, *Nothing But You*, *One Irish Rover*, as well as some other rare songs from the earlier legs: *Confidential*, *Everybody's Movin'*, *Lonesome Town*, *My True Lala*, *Pancho And Lefty*, *Waggoner's Lad*, *When Did You Leave Heaven?*, now acoustic for the first time.

*Trouble* opened some shows, thus further decreasing the number of Dylan songs never played live.
