## **Telephone Answering Machine Song**

Well ... ain't home right now  
He can't come to the phone  
So leave your name and number  
When you hear that lonesome tone

He'd gladly talk to you right now  
I'd like to guarantee  
But I can't speak on his behalf  
Since I'm not really he

## **Had A Dream About You Baby**

I got to see you, baby, I don't care  
I've got to meet you honey, I don't care where  
I had a dream about you baby, a dream about you baby  
Late last night you came rollin' across my mind.

I saw you in a dream, I began to shout  
You were sitting in a tub with the water running out  
I had a dream about you baby, a dream about you baby  
Late last night you came rollin' across my mind.

I was driving down the highway, you flagged me down  
You said "Take me Daddy, to the nearest town"  
I had a dream about you baby, a dream about you baby  
Late last night you came rollin' across my mind.

You kissed me, baby, in the coffee shop  
Makes me nervous, I wish you'd stop  
I had a dream about you baby, a dream about you baby  
Late last night you came rollin' across my mind.

You've got that crazy rhythm in the way you walk  
I get a crazy feeling when you start to talk  
I had a dream about you baby, a dream about you baby  
Late last night you came rollin' across my mind.

Come to see me, baby, tell your driver to wait  
There's just a few little things that we've got to get straight  
I had a dream about you baby, a dream about you baby  
Late last night you came rollin' across my mind.

You were wearin' a blue scarf, baby, that was coverin' you head  
You're wearin' a long dress, baby, fire engine red  
I had a dream about you baby, a dream about you baby  
Late last night you came rollin' across my mind.

## **Fear, Hate, Envy And Jealousy**

Talking about fear, hate, envy and jealousy  
It's like a fire, all over the world  
I'm talking about fear, hate, envy and jealousy  
It's like a fire, all over the world.

You know the wicked have sold their souls for gold  
And everybody knows their wealth is in the sky  
And the very, very, very sad part about it all  
There ain't nothing that nobody gonna survive.

I'm talking about fear, hate, envy and jealousy  
It's like a fire, all over the world.  
I'm talking about fear, hate, envy and jealousy  
It's like a fire, all over the world.

Don't push the button, yeah, of envy and jealousy  
It's like a fire, all over the world.  
I'm talking about fear, hate, envy and jealousy  
It's like a fire, all over the world.

Don't push that  
Don't push the button, y'all  
Don't push it  
Don't push the button, y'all  
You make the world go boom  
Make the world go boom, boom  
You make the world go boom  
Make the world go boom, boom

## **Jammin' Me**

(Bob Dylan & Tom Petty)

You got me in a corner  
You got me against the wall  
I got nowhere to go  
I got nowhere to fall

Take back your insurance  
Baby, nothin's guaranteed  
Take back your acid rain  
Let your T.V. bleed

You're jammin' me, you're jammin' me  
Quit jammin' me  
Baby, you can keep me painted in a corner  
You can walk away, but it's not over

Take back your angry slander  
Take back your pension plan  
Take back your ups and your downs of your life  
In raisin-land

Take back Vanessa Redgrave  
Take back Joe Piscopo  
Take back Eddie Murphy  
Give 'em all some place to go

You're jammin' me, you're jammin' me  
Quit jammin' me  
Baby, you can keep me painted in a corner  
You can walk away, but it's not over

Take back your Iranian torture  
And the apple in young Steve's eye  
Yeah, take back your losing streak  
Check your front wheel drive

Take back Pasadena  
Take back El Salvador  
Take back that country club  
They're tryin' to build outside my door

You're jammin' me, you're jammin' me  
Quit jammin' me

## **Love Rescue Me**

(Bob Dylan & Bono Hewson)

Love rescue me  
Come forth and speak to me  
Raise me up and don't let me fall  
No man is my enemy  
My own hands imprison me  
Love rescue me

Many strangers have I met  
On the road to my regret  
Many lost who seek to find themselves in me  
They ask me to reveal  
The very thoughts they would conceal  
Love rescue me

And the sun in the sky makes a shadow of you and I  
Stretching out as the sun sinks in the sea  
I'm here without a name in the palace of my shame  
Love rescue me

In the cold mirror of a glass  
I see my reflection pass  
I see the dark shades of what I used to be  
I see the purple of her eyes  
The scarlet of my lies  
Love rescue me

And the sun in the sky makes a shadow of you and I  
Stretching out as the sun sinks in the sea  
I'm hanging by my thumbs  
I'm ready for whatever comes  
Love rescue me

Yea though I walk through the valley of the shadow  
Yet I will fear no evil  
I have cursed thy rod and staff  
They no longer comfort me  
Love rescue me

I've conquered my past  
The future is here at last  
I stand on the entrance  
To a new world I can see

## **WORDS FILL MY HEAD – Odds & Ends**

The ruins to the right of me  
Will soon have lost sight of me  
Love rescue me
