Note. The comment before Boots Of Spanish Leather was made in response to a critical review of last nights show in an Ottawa newspaper. This show marks the return of more frequent and sometimes lengthy raps between songs.

BobTalk:

Somebody who works in this real nice building here stole a guitar last night. Yeah, just like that. Anyway, if any of you know who did it, please let somebody know. We don't know what will happen to the thief, we don't want to cut off anybody's hands, we just like the guitar back. It was an inside job! That's what this next song is about. Someone like an inside job. (before It Ain't Me, Babe).

Well, here's another song where the harmonica is played at the end. There used to be a bunch of girls that sang with me. Instead of the harmonica. They decided that we tried to play the harmonica for a while and they stayed home! Anyway, there was an article written in the paper about me saying that the girls should come back and the harmonica should go! (booing from the audience) Well, nobody showed me that, but they sure told me about it though. Anyway, the girls might be back next time, ... but it's OK if I play harmonica on this one, right? (YEEAAAHH!) (before Boots Of Spanish Leather).

Thank you, ladies and gentlemen! I think it's time to go! (after The Times They Are a-Changin')
