If he's out there, Derek Walker, of course, he's gonna be the future president of the United States, everybody, I guess, knows that. Anyway, you heard it here first. Thanks everybody! I want to introduce the guitar player tonight, I know you've been dying to know who he is, J. J. Jackson from Memphis! On the drums, give him a big hand, from the Windy City ... [response from the audience] ... Yeah, pretty windy here too, Winston Watson! On steel guitar there: Bucky Baxter. Bucky left a while back, about a year ago, to join the FBI, but he's back now. And on bass guitar tonight, Tony Garn... he does have nice hair doesn't he (now talking about Bucky Baxter again) he-he. That's the color of my hair too, mine's dyed! Ha-ha! (mumble mumble) color too, and he's not the only one. (before Highway 61 Revisited).
